

Synopsis

TRANSATLANTIC DISTRICT SOUTH (TAS) Firm-Fixed-Price Contract for Design and Construction of the Afghanistan National Police, Ministry of the Interior Supply Point (MSP) with Police Precinct, Farah, Farah Province, Afghanistan - PSPW020401PS

This solicitation is for a Firm-Fixed-Price (FFP) contract for the engineering services and construction of facilities to support the Afghanistan National Police (ANP) program for a Ministry of the Interior Supply Point (MSP) with Police Precinct, Farah, Farah Province, Afghanistan.

The project consists of the specified site-adaptation, site and infrastructure design and construction of a new facility for the ANP in Farah District, Farah Province, Afghanistan. The Ministry of the Interior Supply Point (MSP) with Police Precinct is an ANP Operating Establishment which will support approximately 200 personnel; however onsite billeting is limited to 150. The proposed site is about 53,300 square meters (25 jeribs). The site is located about 12 kilometers south of Farah City and is open land. The proposed site is located about 200 meters south of a MoI Rapid Response Company and the Farah main road is about 160 meters east of the site. Open Government land surrounds this site. The site's elevations, (GPS Site Recorder) are between 3,100 meters to 3,106 meters. The MSP is an ANP logistics facility that acts as a focal point to supply the province and adjacencies. This scope incorporates a secure perimeter and associated facilities, infrastructure and amenities to house the MSP. The MSP mission incorporates warehouse (shipping and receiving), weapon storage, weapon repair, munitions storage (small arms), fuel storage/allocation, secure storage, and vehicle staging and maintenance. MSP support elements incorporate administrative floor area, dining facility (DFAC), and billeting. Site work and related design shall be accomplished by the contractor. The work within this contract shall meet and be constructed in accordance with current U.S. design and International Building Codes (IBC), Life Safety Codes (NFPA-101), UFC 4-010-01, DoD Minimum Anti-Terrorism Standards for Buildings.

The Government intends to make one award as a result of this solicitation. Award of a contract will be made to the responsible offeror who submits the lowest priced, technically acceptable proposal that is both realistically and reasonably priced for the work to be performed on each project. Offers will be evaluated in accordance with the evaluation criteria stipulated in the solicitation. An offeror may not receive award, even if it has the lowest-priced, technically acceptable proposal, if its price proposal fails to demonstrate that it understands the scope of work required by the solicitation. The applicable NAICS code is 236220 (\$33.5M small business size standard). The resulting contract is for 540 days. The magnitude of this project is between \$5M and \$10M. The options may be exercised at the discretion of the Government. The point-of-contact for this procurement is Mr. Richard Horton, Contracting Specialist, USACE-AES, APO AE 09355. You may reach Mr. Horton at 540-678-3063 or via email at richard.d.horton@usace.army.mil.

Requirements: FAR 52.204-7 (Central Contractor Registration) and DFAR 252.204-7004 (Alternate A, Central Contract Registration) applies to this procurement. All prospective contractors must be registered in the Department of Defense CCR database and the Joint Contingency Contracting System (JCCS) prior to award. Offerors are encouraged to register early to ensure eligibility for award. Information on CCR registration and annual confirmation requirements may be obtained by calling 1-888-227-2423 or via the internet at <https://www.bpn.gov/ccr/default.aspx>. If you need a 9-digit Dun & Bradstreet (D&B) DUNS Number, please visit: <http://fedgov.dnb.com/webform>. Information on JCCS registration may be obtained via the internet at <https://www.jccs.gov/olvr/default.aspx>.

All responsible sources may submit a proposal which will be considered by the Government.

Solicitation Number W5J9LE-12-R-0041 will be available on or about 05 March 2012. The Solicitation and all further information will be posted to these websites:
